“All Taste, No Gluten!”

Hi,

Thanks for taking the time to check us out with a view to providing great tasting Allergy-friendly choices in your store or restaurant.

I'm not going to go into a whole lot of detail about what gluten free is or why it is increasingly important for food outlets to provide allergy friendly choices. Based on the fact that you are reading this page I am going to take it as a given that you recognize this already, and you want to know more about your choices.

Fresh Whole Flax Gluten-free Loaves

Lets get right to the bottom line with the three most important benefits, to your business, of making The Little Aussie Bakery & Cafe's award winning nationally recognized gluten-free products a part of your business. For more on national recognition [Click Here](#)

1. Our bread products have eliminated all the major allergens, including gluten, all dairy, soy, corn, eggs and nuts. And still tastes great. Many people with gluten issues have other sensitivities, particularly to dairy, soy, corn, eggs and or nuts. [Click here](#) for testimonials.
2. Our products are consumed, endorsed and prescribed by some of the most progressive health care professionals in the area. [Click here](#) to meet some of the practitioners.
3. We provide unparalleled free marketing support for our wholesale partners. Includes prominent space on our website, promotion on our rapidly growing face book and twitter pages. Our retail customers are made aware of your choice to provide great tasting allergy-friendly foods and motivated to try your offerings. Your success is our success.
