

Dear Manager/ Buyer:

I love eating at your restaurant! I would love it even more if you carried more options to accommodate my gluten-free lifestyle. I would like to suggest that you carry some of my favorite products from The Little Aussie Bakery and Cafe. All of their products are **gluten-free**, and most are also **free of the other most common allergens** (milk, eggs, nuts, fish, corn, and soy), so everyone can enjoy your dishes made with their **fresh-made** pizza bases, bread products, and even sauces and salad dressings!

Best of all, the employees at The Little Aussie Bakery and Cafe **really know their stuff**, and would be happy to help you implement your very own gluten-free menu. They are always available to answer any questions, and to support you as you work on making your menu more allergy-friendly. I urge you to take a look at their website and consider stocking some of their goods, so that I and others may enjoy even more of your wonderful menu.

To request product samples and information, you can visit their website at [www.thelittleaussiebakery.com](http://www.thelittleaussiebakery.com) or email [john@thelittleaussiebakery.com](mailto:john@thelittleaussiebakery.com).

Thanks for your consideration!
